

# Host

mobile flip table

# Host

mobile flip table

Whether in the board room or on the office floor, the Host is a flexible table system suited to rapidly changing work environments.

Offering numerous configurations, each table can be folded and space-savily nested and stored.

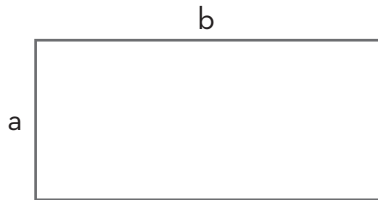

Capable of taking power inset boards the Host is a versatile and stylish addition to the contemporary office environment.

Table can be linked together via optional linking connectors to create clusters of tables joined as a unit.

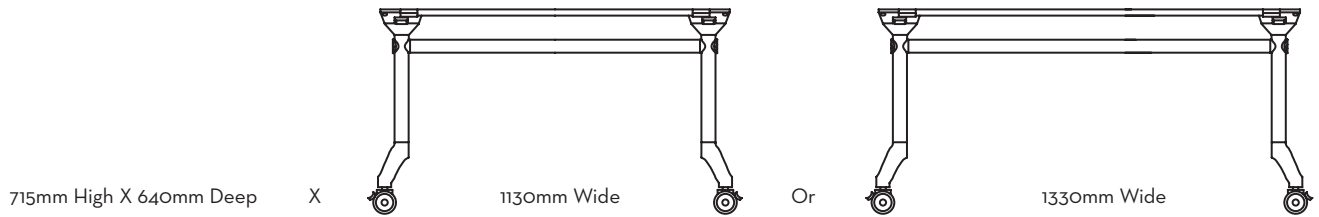

Tops available:

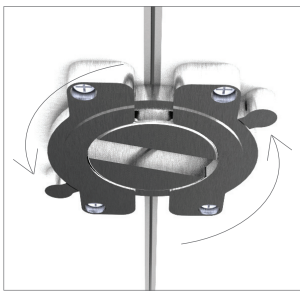

a: 750mm  
900mm  
1000mm

b: 1400mm  
1800mm  
2100mm

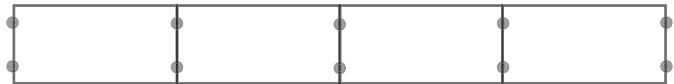

Frame sizes (2):

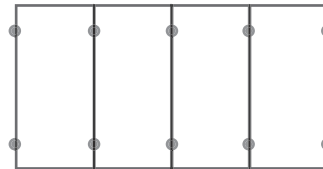

Optional connector latches:

On Short Edge

On Long Edge

Key features:

- Heavy duty PU swivel castor
- Easy to fold and stow away
- Flat-packed in cartons
