FURNITURE SOLUTIONS FOR INNOVATIVE LEARNING ENVIRONMENTS

At Buro, it's our mission to bring advanced ergonomics to the world. Our seating solutions create inspiring and healthy spaces throughout corporate, hospitality, healthcare, aged care and learning environments.

In a rapidly changing world exploding with entrepreneurs, problem-solvers and change-makers comes the need for furniture solutions within innovative learning environments.

Buro, Konfurb and Mondo brands offer many flexible furniture solutions ideal for today's learning environments.

buro
ergonomics at work°

Excellent ergonomic design is the backbone of our Buro brand.

These chairs and stools encourage good posture to help people sit, feel and work better every day.

Konfurb

The Konfurb range showcases many collaborative furniture pieces that can be customised to support the broader design vision.

Quality commercial furniture with designer good looks, our Konfurb range fosters creativity and communication.

mondo

The Mondo brand is designed to be ergonomic, durable and easy to use, all at a great value price point.

Most chairs come with a six-year guarantee and plenty of quality certifications. Perfect for students or staff, Mondo chairs are affordable and supportive.

| **1.** Villanova College, Brisbane | Konfurb Fly Sled

RANGE EXPLANATION

All products in this catalogue are either 'everyday' or 'project', and are clearly marked under each product.

Everyday Product
Our Everyday range is a select range held in stock in limited colours.

The lead time is 2-10 days based on your location in Australia.

You can view our everyday product range on pages 4-5.

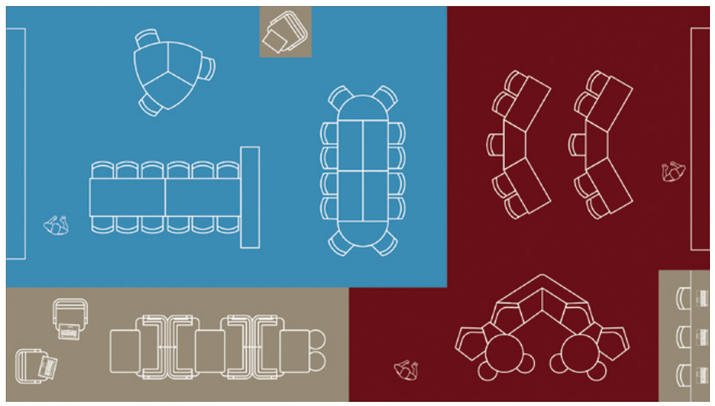

Project Product
For projects large or small, lead times vary from 4-14 weeks.

Accurate lead times will be provided at the time of quotation.

MOQs apply, and vary between product.

LEARNING DESIGN SPACE

Campfires, watering holes & caves

Campfires

Best for sharing of knowledge or skills. Storytelling, demonstrations or group discussions.

Watering Holes

Small groups of seating encourage teamwork and equal contribution.

Caves

Reflective learning environments that encourage personal space physically, symbolically, or both.

| Source: David Thomburg

EVERYDAY PRODUCTS

The everyday products featured on the next two pages are available quick-ship ready for dispatch. Other products and variations in this catalogue are available in our project range with MOQs and extended lead times.

For project purchases (non stock orders) conditions apply. Please see buroseating.com.au for definitions & conditions. In the interests of product development, Buro reserves the right to alter product specifications and features without notice.
