## Project + Everyday Collections

---

Quality commercial furniture with world-class design, our Konfurb range fosters creativity, collaboration, and wellbeing.

Konfurb harnesses cutting-edge international design to create beautiful, functional furniture that enhances the evolving workspace. From soft modular seating to sleek office chairs, our collection offers award-winning pieces that adapt seamlessly to any design vision without compromising on comfort or durability.

With a focus on excellence in manufacturing and customisation, Konfurb is perfect for commercial fit-outs. Tailor our designs with custom upholstery and specialty fabrics to create a workspace that reflects your unique vision and supports the modern, modular office environment.

Buro has offices in Sydney, Brisbane, Auckland, and Christchurch, with a network of resellers across Australasia. We are committed to working with you to exceed your expectations.

The Konfurb Collection includes the Konfurb Project range and the Konfurb Everyday range.

GJ Gardner Homes

**About the project**

The fit-out at GJ Gardner Homes includes multiple Konfurb Fly Sled and Buro Metro chairs placed into various spaces within the Orewa office.

The small meeting room and open-plan meeting area feature the Konfurb Fly Sled with an upholstered seat pad. The large meeting room has the Konfurb Fly Sled, fully upholstered in striking, bold, custom fabric.

**Konfurb Hady**

Central Lakes Physio

**About the project**

Central Lakes Physio upgraded their seating with a range of Buro chairs, including Konfurb Hady 4 Leg Wood base chairs in Keylargo, Ash upholstery. The seating improved patient comfort and support, especially for those with back, knee, and neck injuries, and enhanced the working environment for clinicians who are constantly on the move.
